2. Enrollments in Summer Scientific-Technical Workshops

Forty-three CIA employees have been enrolled in Scientific and Technical workshops that will be given at various universities this summer. These employees will thus be given an opportunity to up-date their knowledge in their respective fields. Of the 43 participants, 17 are from the DDI (15 NPIC), 22 from the DDS&T, 3 from the Technical Services Division of DDP, and 1 from the Office of Security of the DDS. Of the 43 students, 18 will attend seminars at the University of Michigan. Almost all of these workshops and seminars were listed in OTR's March Bulletin and it is believed that this wider publicity has helped to influence those who will attend them.

3. DIA's Junior Officer Trainee Program

The Defense Intelligence School of DIA, which has yet to run its first class of junior officer trainees of 25-30 recent college graduates, already has plans for two classes of 50 students each per year beginning with the January 1966 class. In future classes, trainees will also be selected from among civilians already on duty with DIA.

4. Language School Items

25X1A

 Chinese language specialist of the Language School, will serve as a consultant and technical adviser to the Defense Language Institute at Monterey, California. This service will be for a two-week period.

Enrollment in the Voluntary Language Training Program shows a drop-out rate of 25% at the end of 10 weeks, or at mid-term. This is a better showing than last semester when 35% of the students had dropped out by mid-term. Of the original 131 enrolled in March of this year, 98 will receive mid-term ratings.

5. Request for Waiver on Training Agreement

25X1A

 DDS&T has requested a month's waiver on the training agreement that he signed. He attended the Institute in Plasma Physics at Princeton University last summer at a cost of \$1,010.58 to the Agency. At that time he signed an agreement to continue in service until 10 August 1965. Although he will not return to academic life (University of Pittsburg) until September of this year, he wishes to resign and leave the Agency by 10 July.
